## "SUMMER" BEGINS SATURDAY MAY 26, 2007 at Noon

**Welcome to the 2007 Pool Season!** Your WSSC pool is scheduled to open on Saturday, May 26, 2007 at noon.

As always, The Western Springs Service Club Board of Directors is committed to providing you and your family a fun and safe environment for summer recreation. Last year we completed a survey to secure your input and learned a great deal. One key message we heard was that you wanted better communication. To that end, we now have a **new web-site (see address above)** where you can get up-to-date information on the current season at the pool, swim team forms, as well as see a brief overview of the conclusions drawn from the survey.

**Safety Rules.** Pool safety is always a concern. Please review and familiarize your family with the WSSC Rules and Regulations, which you will receive with your pool membership passes.

**New Members.** Please let your friends and neighbors know about the WSSC pool programs including swim team, swim lessons, water aerobics and recreational swimming. Membership applications are available in the Western Springs Recreation Department lobby, via our new web-site (see address above) or by writing WSSC, PO Box 82, Western Springs, IL 60558. Members registering before May 2, 2007 receive a substantial discount.

**Visa/Mastercard Option.** You may pay your 2007 membership fee with Visa or Mastercard. Simply fill in the account information on the membership application.
