**Welcome.** Welcome to the 2010 Pool Season! The Western Springs Service Club Pool will open at noon on Saturday, May 29th—Memorial Day Weekend. While trying to keep membership costs down, unfortunately this year we've had to raise our membership dues slightly to offset increased payroll costs from multiple increases to the minimum wage and to initiate improvements to the pool infrastructure and building and grounds. In addition to the proposed general repair, sealing and painting of the east pool and baby pool this spring, we are painting the insides of the shower areas and are putting in a new epoxy-type floor in the women's locker room. Some of the infrastructure upgrades that are not obvious are the new water heaters for both pools, and repair of the filtration system piping for the west pool (2009) and east pool (2010).

**Membership Card Pickup.** For returning members, season passes will be available for pickup at the WSSC front desk on Monday, May 24th (3 to 6 pm), Tuesday, May 25<sup>th</sup> (4-7 pm) and Wednesday, May 26th (6-8 pm). Passes will also be available at the front desk after May 31<sup>st</sup>. **No passes will be mailed.**

**Rules and Information.** Please familiarize yourself and your family with the rules and regulations of the pool. This information will accompany your membership passes and is available on our website.

**Website and Inquiries.** Please visit [www.westernspringspool.com](http://www.westernspringspool.com) for details concerning pool hours, swim lesson schedules and swim team calendar. Prior to the season, please contact [wsscmanager@hotmail.com](mailto:wsscmanager@hotmail.com) with any questions.

**New Members.** Please let your friends and neighbors know about the WSSC programs. Membership applications are available in the Western Springs Recreation Center lobby, on the website, and by writing to WSSC, PO Box 82, Western Springs, IL 60558.

**Payment.** Payments MUST be postmarked by Thursday, May 6 for members to receive the early bird discount. There are NO exceptions to this policy. Members have the option to pay the membership fee by check payable to WSSC or with a Visa or Mastercard (**a service fee of \$20.00 will apply to all credit card transactions**).
